

10 January 2023
017/Par/22

Dear Parents,

Activities will start the week commencing 16th January. Students are required to sign up for at least one activity (they may choose more than one) for this session.

Attached is the list of activities that are being offered by our Primary School teachers with the dates and times. Your child should choose their activities and then return the completed form to Ms Kiera or Ms Ella either before registration or during break times. Some activities have a maximum number of students and priority will be given to forms returned early. You will be informed through a note in the diary of the activities your child has selected and given a place.

May I politely remind you that **activities after school finish at 4:15pm** and students **should be collected promptly from the primary gate**. Regrettably, students who are consistently late in being collected will not be able to participate in after school activities.

If you require your child to stay until 4:15pm due to transportation issues, please kindly inform the class teacher via your child's homework diary and we will make arrangements for supervision. We need to know in advance for this to happen.

It is very pleasing that the school continues to move forward

Yours sincerely,

Jan Brettingham Ms
Principal
