Dear Parents,

Activities will start the week commencing 11th September and will run for 4 weeks. Students are required to sign up for at least one activity (they may choose more than one) for this 4 week session.

Attached is the list of lunchtime and after-school activities that are being offered by the Primary School teachers with the accompanying times and days. Your child should choose their activities and then return the completed form at the bottom to Ms Kiera before registration or during break times.

Some activities have a maximum number of students and will therefore be filled on a first come, first served basis on returning their form.

The clubs will be highlighted in green and placed in their yellow homework diary once their space has been confirmed in that club.
