

23 October 2024

010 /Par/24

Dear Parents,

After school activities will start the week commencing 21 October 2024 and will run for 5 weeks. Students are required to sign up for at least one activity (they may choose more than one) for this 5-week session.

Attached is the list of after-school activities that are being offered by the Primary School teachers with the accompanying days and times. Your child should choose their activities and then return the completed form at the bottom to Ms Kiera before registration or during break times.

Some activities have a maximum number of students and will therefore be filled on a first come, first served basis on returning their form.

Once their space is confirmed in a club, a slip will be placed in their homework diary.

Thanking you for your assistance in this matter.

Regards,

Jan Brettingham Ms

Principal
